I, DENISE BARNETT, am presently/was previously (indicate one) a customer of Bank of America and I am the customer whose records are being requested by the Government.

The financial records sought by the Department of Housing and Urban Development, Office of Inspector General (HUD):

1. are not relevant to the legitimate law enforcement inquiry stated in the Customer Notice that was sent to me because there is no basis to suspect that I am or was involved in possible embezzlement of Government Funds.

2. should not be discovered because there has not been substantial compliance with the Right to Financial Privacy Act of 1978 in that HUD has not established that my personal bank account records are relevant to a legitimate law enforcement inquiry.

I declare under penalty of perjury that the foregoing is true and correct.

Dated: November 2, 2012

Denise Barnett
